The following changes were discussed:

- 1. Pass all TAKS tests from the previous year or performed at a level of 80% or above on current year TAKS test benchmarks administered by the student's teacher.
- 2. Attendance is at 95% or higher on OFYP day.
- 3. Student must be passing all classes on the OFYP day.

The committee agreed with the proposed guidelines.

- III. The committee reviewed and discussed the survey taken from the staff regarding their opinions of the Optional Flexible Year Program. The results showed a definite split on keeping or abandoning the program.
- IV. The committee reviewed four sample calendars for next school year. Two calendars included 3 waiver days for teacher training and two calendars hosted the OFYP days.

After much discussion, the committee decided to send the two calendars with the waiver professional development days to the staff for approval.

The committee decided to discontinue the OFYP plan for the next school year.

The two calendars are being reviewed and will be sent to the staff for a vote. The calendar receiving the majority of the staff vote will be taken to the school board for approval.

- V. The meeting adjourned at 3:45pm.
